Lane reductions along IL 21 over Union Pacific Railroad in Glenview

CHICAGO – The Illinois Department of Transportation (IDOT) announced that lane reductions will occur along Illinois Route 21 over the Union Pacific Railroad tracks in Glenview for a bridge joint repair project beginning, weather permitting, April 27.

In order to complete the work, lanes will be reduced along IL 21 between Glenview Road and Castilian Court.

The project will be complete by the end of May.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
